

Consider food, arts and entertainment, religion, fashion and clothing.

Do you need to construct a new language for your world?

Consider the make up of the natural world, such as the geography, the weather, the rules of time.

Is your new world technologically advanced? Does it use magic? Is it primitive in nature?

Mindmap
World Building Prompts

What are the cultural structures in your world?

Consider the economy: what form of trade exists, what units of currency are used.

How diverse is your world? Are there different classes, races, clans, etc.?

What is the system of government and politics? Is there fair leadership or corruption? Is there access to healthcare and education?

What is the history of your world? Is it a peaceful history? Has it been affected by war?

What natural resources are there? Are they scarce or in abundance?
